

Navigeto One

One place to plan, quote and follow up your travel business.

A private workspace for your agency, with clear introductory pricing and a free trial before you decide.

14-DAY FREE TRIAL

No card. No automatic charge.

Create an account, verify your email, then create your private agency workspace. Your 14 days start when the workspace is created.

2 named users and up to 100 saved trial records. Paid AI is disabled. Records are preserved after expiry; contact us for an export.

HOSTED AGENCY PILOT

LKR 15,000

per agency / month

First five eligible Sri Lankan agencies.
Up to 2 named staff users.
Normal workspace hosting included.
No setup fee.
One guided onboarding session.
Monthly price locked for 12 months.

FIRST 05 TRAVEL AGENCIES ONLY

USD 4,000

one-time installation licence

Lifetime licence for one agreed installation for your own business.
One initial installation and configuration.
Agreed modules and user scope.
No source code, ownership transfer or resale rights.

Installation costs outside the licence: hosting, domain, third-party/API usage, maintenance, ongoing support and future development. Scope and recurring costs are agreed in writing before payment.

Paid AI and live checkout are disabled. A free trial does not create a paid subscription. Offer eligibility, modules, applicable taxes and commercial terms are confirmed in your written proposal.

A practical starting point for your agency.

Try the customer workspace first. The full staff ERP demonstrated in a sales walkthrough includes additional modules; these are not automatically included in every customer installation.

Supplier records

Maintain your agency's supplier reference records.

Costing sheets

Prepare agency costing records and review the services behind a proposed trip.

Quotations

Prepare branded customer quotations and review them before sharing.

Itinerary planning

Structure the travel programme alongside the costing and quotation workflow.

Booking follow-up

Review the reservation and supplier/account record scope included in your chosen edition.

Private agency access

Use a separate agency workspace. A second named user is onboarded with staff assistance.

HOW TO START

1. Register and verify your email.
2. Create your private agency workspace.
